

Bedale Pleasure Ride - Langton 20th July 2025

An Important Update Regarding Sunday's Ride

We are absolutely delighted and incredibly grateful to the generous landowners who are once again opening up their beautiful land, allowing us to enjoy a route not normally accessible. Their support makes these rides truly special!

Due to unforeseen circumstances, the main route for Sunday's ride will now be approximately 8km. We understand some of you enjoy clocking up more miles, so for those keen on a longer adventure, there will be an opportunity to do an extra loop! To take advantage of this, please ensure you set off before 10:00 AM.

If you need to adjust your start time to accommodate this, please don't hesitate to message Niki directly on 07887748329.

Thank you so much for your understanding and continued enthusiasm. We're looking forward to a wonderful day with you all!
